

WE ARE A COMMUNITY OF HEALING AND SERVING ROOTED IN JESUS CHRIST

Kevin McKinney, Pastor

Jared Kendall, Pastor

Dear Prospective Mentor,

A young person thinks very highly of you! You are receiving this letter because a confirmation student believes that you would be a great mentor for him/her as they journey through confirmation this year. As the confirmation leaders, we ask that you carefully and prayerfully consider this request.

We realize mentoring a young person is a big commitment. It can also be an incredibly rewarding experience! Confirmation is a time when spiritual concepts come alive for students and real commitments to follow Jesus are made. You received this letter because a young person believes that they have a lot to learn from you and want to share this important time in their life with you.

What does being a confirmation mentor entail? Being a mentor is a big responsibility. You are a friend, an encourager and a teacher to a young person as he/she goes through an important spiritual milestone. We ask several things of mentors. We ask that you are willing to share your faith journey, you be open and honest with your student and that you be a friend and encourager to your student. In addition, we ask that you commit to attend an opening dinner/retreat(1/25&26/19), Sunday evening classes(5:30-7:15), serving opportunities, and an extra special Day with Jesus.

Please review the schedule for Confirmation 2019 and prayerfully consider if you are able to be a part of the journey. As part of our ongoing commitment to the safety of our children and youth, if you have not yet completed our Child Protection Training and background check, or it has been longer than two years, you will need to do so.

If you have questions or concerns, please contact Liz Simmonds. Thank you and may God continue to bless you as a Christian witness for the young people in our church family.

Blessings to you as you consider this ministry,

Liz Simmonds
