About Camp: Camp Adventure's Impact Camps provide a classic camp experience, featuring action-packed adventures including: swimming, blobbing, paintball, low ropes, and high ropes. Most importantly, there is a deep focus on Christ through an amazing spiritual program including small groups, modern worship and opportunities to ask the tough questions about God.

Theme for Summer 2019:

Focused on knowing and being known by God with an even greater emphasis on teaching campers practical skills on how to continue that pursuit when they leave camp.

What might we do at camp?

Human Foosball | High Ropes Course | Climbing Wall | Zip Lines | Giant Blob in Kaiser Lake | Jr. Olympic Sized Swimming Pool | Slip 'N Slide | Paintball | Low Ropes Course | GaGa Pit | 9 Square-in-the-Air | Beautiful Hiking Trails | Peaceful Fire Circles

Liz Simmonds will be attending camp with students (& we'd LOVE some other Fishers UMC adults to come as well.

Grownups attend camp at no cost. Please speak with Liz if you are interested!)

We're always trying something new with students. This summer it's camp in place of a mission trip. Students will have the opportunity to experience mission trips as high school students. Summer camp through the decades has proven to be an incredible spiritual impact in the lives of campers. Camp Adventure and the Indiana UMC conference camping ministry continues to seek to meet the spiritual needs of young teens. It's going to be awesome...
